

INDIANA STATE FAIRGROUNDS ★ 1202 EAST 38TH STREET ★ INDIANAPOLIS, IN 46205

TITLE: LANDSCAPING/ARBOREAL IDENTIFIER

WORKING DATES: May through August, start and finish dates are negotiable.

GENERAL DESCRIPTION:

The agricultural theme of the 2009 Indiana State Fair is “The Year of Tomatoes”. We will highlight our Tomatoes as well as Indiana trees through fun, educational programming and events. This position will help with several projects related to the implementation of these new programs and events.

RESPONSIBILITIES:

1. Implement a uniform tagging system for trees on the Fairgrounds.
2. Assisting with the creation and implementation of educational programming for the Indiana State Fair Wonder Trail and the State’s Largest Classroom.
3. Assisting the Buildings & Grounds Department with all duties including planting and caring for donated trees and well as planting, weeding, feeding, mulching and watering all landscaping.
4. Assist with data entry as needed.

QUALIFICATIONS:

The incumbent must be 18 years of age or older, have computer skills and be able to work extended hours including Saturday and Sunday when needed. Approximately 80% of work will be outdoors working your hands and landscaping materials. The remainder of time will be spent with data entry and program creation.
